in Evening. Everybody Come.

Municipal District of Bow Valley, No. 219.

NOTICE

Public Notice is hereby given that the Municipality of Bow Valley, No. 219, will pay one cent per roll for all papers delivered within its boundaries before June 1st next.

Tails to be delivered to the council or to the secretary-treasurer. By order of the council.

W. G. WAT.

Secretary-Treasurer

Strathmore, April 6, 1922. 25-6

Coming Events

Strathmore U.F.A. will hold a joint meeting with the U.F.W.A. in the L.O.O.P. hall on Saturday, June 2. Time will be up for discussion. Men here can save a great deal of money by ordering their time through the U.F.A. Arrangements will be made for a Sports Day. An address will also be given on co-operative cattle pool by Prof. W. J. Elliott. The meeting will be important as well as interesting and a large attendance is expected.

Look out for dance on June 15th in the town hall and a half from town.

25-6

FIRST WOMAN GRADUATE

IN AGRICULTURE

The first woman graduate in Agriculture from the University of Alberta was given her degree this week. She is Miss Sheila Murray, sister of Hon. Mrs. Duff, Minister without Portfolio in the Alberta Government, and lives in All, Alberta. For two years Miss Murray was a student at Ode Agricultural School, and previously had taken a short course at Guelph. She has just completed a three year course at Alberta University.

BASEBALL SEASON OPENS TO-MORROW

Empire Day Holiday Games at Strathmore, Rockyford, Carseland

Opening of Baseball Season

To-morrow, May 24th, Empire Day, the opening of the 1922 baseball season throughout the Western Bow Valley.

Calgary Victorias play a double header at Strathmore in the afternoon at 2 and 6 p.m.

At Rockyford Calgary Hustlers and Caribou will meet the local team, which holds the intermediate championship of Alberta.

Carseland is also putting on a game in connection with the picnic and sports being held at the River, south of Carseland, and at Gledchen also the ball season starts off on the same day.

League Extended
Last week's meeting took place at Carseland of representatives from Strathmore, Carseland, and Gledchen to make a league of these three clubs was brought into being. Officials elected were:

President, E. M. Stachuk, Gledchen; Vice-President, L. E. O. Lohndorf, Strathmore; Sec.-Treasurer, M. J. Smith, Carseland.

The schedule drafted was as follows:

At Gledchen:
May 29—Strathmore.
June 5—Carseland.

June 12—Gledchen.
June 22—Carseland.
July 10—Strathmore.

July 20—Carseland.
July 31—Strathmore.

At Strathmore:
June 1—Carseland.
June 12—Gledchen.

June 22—Carseland.
July 6—Gledchen.
July 15—Carseland.

July 21—Gledchen.
At Carseland:
June 5—Gledchen.

June 15—Strathmore.
June 26—Gledchen.
July 2—Strathmore.

July 17—Gledchen.
July 27—Strathmore.

At the end of the series the winners will play off for the championship.

25-6

Changes in Domestic Animals Act

Inspired by the cows which have attended the operation of the Domestic Animals Act, a number of changes have been made in the Act, and these became effective at the beginning of the present month.

Under the new system the owners on cattle impounded will be notified at once, if the brands can be traced, and the cattle impounded will be sold no later than eleven days and not later than fifteen days after impoundment, and the fact that they have been sold will be advertised in the Alberta Gazette and nearest local newspaper. The former owner has the privilege of redeeming within thirty days from the purchase, provided he pays all charges.

These changes are designed to shorten the period in which cattle and horses have had to be kept formerly, and also the action that has been taken by some owners, and also the action that has been taken by some owners, who thought they knew their cattle were in pound, took no action to redeem them, but bought them at the sales or had them brought for small prices, leaving the Municipalities to pay the pound fees. Worthless animals will be destroyed.

School Cadets Are Inspected

The company of cadets recently organized in connection with Strathmore School was inspected on Wednesday by Major Miller, officer commanding Alberta cadets. Forty-nine boys were inspected in a manner which earned the commendation of the inspecting officer. He stated that they had done splendidly, considering the short time they had been organized.

The girls' physical training class was also inspected, and went through their exercises very creditably.

The officers for the company are as follows: Raymond Brown, Captain commanding company; Platoon commander: Stanley McKay and Alvin Downey; Section commanders, who were specially commended were Walter Dorn, Wilfred Gardner, Donald McKay and Carl Jones.

"IF YOU BELIEVE IT, IT'S SO" COMING

Perley Thorne Alchanga, widely read novel, "If You Believe It, It's So" has reached the Strathmore Paramount picture with Thomas Meighan as the star. The story of a young city crook who finds peace and happiness in the country is delightfully told in a cast of players which includes, in addition to the star, Theodore Roberts, Pauline Stark, Joseph J. Dowling and Charles Gale.

The picture comes to the Memorial Hall on Saturday, and Manager Hirtle, who enjoyed a preview of it, is enthusiastic about it.

25-6

KEOMA ITEMS

On Friday, May 26th, Mr. E. G. H. Schindler, Vice-President of the U.F.A., and Mrs. Schindler, Director of U.F.A., will give an address in Keoma hall on U.F.A. topics at 8:30 p.m. The U.F.W.A. will entertain with a short programme and refreshments. Everyone is urged to attend. Don't make your own mind, it's not the U.F.A.'s you, and what you make it. The local U.F.A. has been very dead of late years. Let's have a real reunion on the 25th. The crop prospects are excellent, lots of moisture for a real start, and some wheat is already six to seven inches above the ground.

Mr. F. G. Rader again holds the record for the earliest seeding, and his first sown wheat is a credit to the district.

Seeding is almost completed, and the farmers are more optimistic than for years.

25-6

NAMAKA NEWS

Mr. Robt. Bizar was a Calgary business visitor on Wednesday last.

A car load of prime hogs left here last Thursday. These were shipped by the Namaka Farm.

Mrs. L. P. Pinkerton entertained at her home last week the Gledchen chapter of the Eastern Star.

Mr. and Mrs. Alex Young were the guests of Mr. and Mrs. Myers on Sunday last.

25-6

IMPROVING HIGHWAYS

The Public Works Department is undertaking the reconducing of a large portion of the highway from Calgary to the border, preparatory to the coming of tourist traffic from the States this summer.

The Dominion Government is undertaking some road improvement this year in the Jasper National Park west of Edmonton.

M.D.' Bow Valley Council Meeting

The regular meeting of M. D. Bow Valley was held on Wednesday, May 10th, at 8 p.m. The members of the council were present. Rev. Baker presided.

A large amount of business was on the agenda, and it took till six p.m. to clear it up.

A request was made to the C.P.R. that all new bridges put in be built straight with the road if possible.

The council are getting ready to meet with grasshoppers if reported, and quotations were read for supplies.

The changes made in the Domestic Animals Act were explained by the Secretary.

The C.R. were given permission to cancel part of the Namaka townsite.

At the request of the Provincial Government the Municipality was in charge of the drafting of that part of the Calgary-Medicine Hat road which crossed the Municipality.

The Government paying the cost. The Council then sat as a court of revision, when several appeals from the assessment roll were dealt with.

Business Tax Rate
Rates for business tax, which is based on a retail value, were set as follows:

Elevators, Lumber Yards, Pool Rooms, Oil Warehouses, 10 per cent; Garages, Stores, Banks, Butchers, 8 per cent; Blacksmiths, Livery Barns, Rooming Houses, Restaurants, Implement Warehouses, 6 per cent.

A report on health conditions throughout the Municipality was read from Dr. Glavin. Dr. Glavin was re-appointed health officer.

A number of bills were passed, and much other business transacted.

25-6

UNIVERSITY CONVOCATION

Convocation at Alberta University took place last week, when the graduates were given their degrees.

A total of 118 degrees were conferred, and 114 diplomas presented, the graduation class being the largest in the history of the University. The convocation during the term was 1914 students.

The Convocation address was delivered by Dr. Flaxton, Director of the Dominion Observatory at Victoria, B. C.

25-6

SHEEP TRAILING

Owners of sheep herds are warned that those wishing to trail sheep from one part of the province to the other must obtain permission from the Livestock Commission at Edmonton before doing so.

25-6

HOMESTEADS FILED ON

Since the first of the year a total area of 58,000 acres in homestead lands have been filed upon at the Dominion Land office in Edmonton, indicating a considerably greater movement into the province than has been the case for some time.

25-6

PARTY OF DUTCH SETTLERS

A small party of Dutch settlers reached the province this week, and will be located for a time at Strathmore, with the C.P.R.

25-6

CARS LAND

A grand picnic and sports day is to be held at the Bow River, south of Carseland, by Carseland P. R. on May 24th. A fine programme of games has been arranged, with a dance in the evening.

Weather and Crop Conditions

Several rain showers fell last week, giving a much needed moisture to the district, and the grain is now up in fine condition. Seeding will be completed throughout the district by the end of the week.

The water in the irrigation ditches is now running at full capacity, and a number of farmers who have the advantage of water will use it whether it rains or not, as the soil having been dry for the last two years, can stand a lot of water.

Prospects at present are better than they have been for several years past, and a moderate amount of rain at intervals during the next three months would ensure a good crop.

25-6

CHEADLE NOTES

Miss Hickle, school teacher at Fairview, spent the weekend at her home in Calgary.

The Cheadle Ladies Club held their annual meeting on Thursday, and spent the afternoon quilting and sewing.

The Trail Rangers from Strathmore and Cheadle played a ball game on Friday, the 18th, Strathmore taking the long end of the score. Mr. Ross and Mr. Marshall brought the Strathmore boys up, and they had a good morning after the game.

The National Elevator repair crew were in town for a few days, and fixed up the elevator for this year.

Under the new train schedule Mr. Halliday, our agent with the night train, No. 2, and will be able to handle express for the west now.

Seeding is about completed for 1922 in this district. All that is left will be for green feed.

25-6

TELEPHONE CONVENTION

The third annual convention of Canadian telephone men will be held in Edmonton in August. E. B. Baxter, Superintendent of the Alberta Government System, being the president of the association. Delegates from all over Canada, as well as some from the mountain states, will be present.

25-6

FOREST PROTECTION

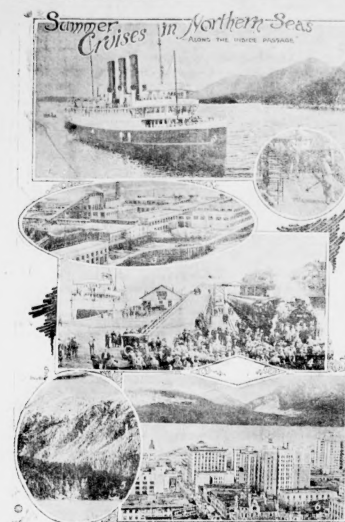

The forests comprise one of Canada's greatest resources. They are exposed to several dangers, the chief of which is fire. Nearly all forest fires are caused by human agency, therefore they can be stopped by carefulness. Those whose business takes them into the forest need to remind themselves that their livelihood, in no small degree, depends on the forests with fire. Those who go into the woods for recreation and sport should consider themselves honorary fire wardens, and even those who never enter the forest can do much by helping to strengthen the force of public opinion which is probably the most powerful single factor in preventing forest fires.

25-6

BOXING THE COMPASS

Captain E. Lamb, Commander of the Canadian Pacific liner "Moltis" was at some pains to explain the mystery of the compass. Dick Anderson, the favoured traveller, was the youngest member of a party of boy immigrants from Dr. Glavin's school. He has been received into the North Toronto Home and is in the process of being turned into a first class Canadian citizen and voter.

25-6

INCREASED ACCOMMODATION AT JASPER PARK LODGE

Open This Season June 1st to Sept. 30th. Many Reservations Made. Alberta and B.C. Forest Assoc. Meet There in June.

Jasper Park Lodge, the hostelry which the Canadian National Railways has created in an Alpine setting in the heart of Jasper National Park, will be open for the reception of guests this season June 1st to September 30th. Many reservations have been made at this early date, among which are the Alberta and British Columbia Forest Association, which will hold their 1925 joint convention at the Lodge June 7th, 8th and 9th.

Last year the Canadian National Railways inaugurated a series of Lodges three miles from Jasper Station, which proved so popular to visitors to Jasper National Park that increased accommodation for 1925 became imperative. The enlarged capacity provides for 250 guests and includes a Main Lodge, containing a large lounge, dining-room and hall room, billiard room, bar, shower baths, ten bedrooms, all connected with private bath and all modern conveniences. A wide veranda encircles the lounge and dining-room, commanding a panoramic view of Lac Beauvert and its magnificent Alpine surroundings. Eighteen four-room lodges, containing two rooms with two single beds each, two rooms with double beds each, sitting room and bath room; three two-suit lodges, each suite comprising bed-sitting room, dressing room, bathroom and sleeping porch; two twelve-room buildings containing twelve single rooms with one single bed each; bathrooms and toilet accommodation. All the lodges are of log construction with verandas, rustic and harmonious, fittingly furnished.

Irricana News

Mr. D. Howell has improved his ranch by importing a string of heavy, well-bred horses from the Noble Pouch, Nodden.

A delightful golf afternoon was enjoyed by a number of ladies, when included: Miss Paul Leonard, Miss Hilda Wilson, Mrs. H. Miller, Mrs. Bruce Hay, Mrs. J. W. McCulloch, Mrs. A. Archibald, Mrs. Dorothy Davis, Mrs. Curtis Leonard, Mrs. Jack Crandwell, and Miss Phyllis Osborn, of Calgary. After a keen and exciting game of golf Mrs. J. W. McCulloch entertained the ladies at a delightful afternoon tea.

Mr. and Mrs. H. Miller motored to Calgary accompanied by Mrs. Archibald and Mr. Frank Irving.

Mrs. James McFarlane has returned to Irricana for the summer months.

A large number of enthusiastic golfers crowded the links all day Sunday preparatory to the big tournament on May 24th. After the evening's game the ladies entertained the players at a picnic lunch, which included a huge buffet coloured cake baked by Mrs. Mary Hay.

As soon as seeding is completed, Reeve A. C. Smith will devote considerable attention to the development of better roads in his district.

As much as we hate, for the present at least, to enter into any political controversy, we were just wondering why a good government should grant the rural owners a six month's auto license, instead of an annual license. The auto season only lasts about six months, but on the present basis every owner has to pay a full year whether or not he is able to operate his car for more than five or six months. The usual period for auto owners living outside the cities. Whereas the city car owners can operate their cars throughout the entire year. We are candidly of the opinion that a petition piloted through the proper channels might help along the lines we speak of.

Where do the thousands of hand plunks on that we contribute to the Auto Licence Department?

Williams numbers will be up in along the colors on the glorious 5th of November, thus: 4-5-2-1. Williams is an ardent follower of the powers at the Capitol, and will adhere to the slogan—"From the Bottom Up."

The many friends of Mrs. W. Marshall are delighted to know that she has almost completely recovered from a lengthy siege of sickness.

The mayor will come on the trail on any thoughtless property owners erecting barbed wire fences encircling their property too close to the side-walks.

Mr. Kempton states that the chair-like gate demonstrated by Jimmie McCulloch is of little avail to Mr. Kempton, in as much that the gate will not prevent flappers from encroaching on his premises.

Miss Hilda Wilson, daughter of Mr. and Mrs. Ben Wilson is returning shortly to Edmonton to resume her studies at the University of Alberta, where Miss Wilson has been for some time to acquire the degree of Bachelor of Science. Miss Wilson, who is extremely popular, has all the good wishes of her numerous friends in the district.

Get a brush and a can of paint. Remember you have the prettiest town in Alberta.

Mr. E. Gregory is a business visitor to Shelby, Montana.

How much whiskey will a Scotchman consume? Any given quantity.

MUST NOTIFY LIVE. STOCK COMMISSION

OWNERS of livestock in the province who have been driving stock from point to point have been ignoring provisions of the Stock Inspection Act, which provides that an owner must notify the livestock commissioner or the nearest provincial policeman, of his intention to remove the stock. This notice must reach the official prior to the removal of the stock, and must also set out the number of and brands on the animals, or, in case of no brand, the age, sex, and color of the animal. A copy of this notice must be put in the hands of the man who is to drive the stock.

Stephens REGISTERED TRADE MARK PAINTS on the farm

The sign of well kept property is right on the surface—it's PAINT.

When you paint, it is poor economy to put on anything but the best—especially when the best costs no more than the rest.

For forty years G. F. Stephens & Co. Ltd., have been the paint makers of Western Canada. Their products are specialized for every western need, are adapted to western climate, wind and sun.

The buyer of every can with the Stephens' label on it gets with it the assurance of the seller and the maker—a guarantee of tried and honest quality, purest materials, and the benefit of forty years of accumulated experience.

STANDARD NEWS

Carbon Council Meeting

A meeting of the council of the Municipal District of Carbon, No. 278, was held on Monday, May 11, 1925. All the members of the council were present.

A delegation representing the council for the Women's Institute of Drumheller, Wayne, and Horse Shoe Canyon attended the meeting with a view of urging the cooperation of this council in an arrangement being made whereby the services of the Public Health Nurse would be continued in this locality.

Correspondence from the Department of Public Health was also read relative to Public Health Nurse. A resolution was passed favoring the plan for Medicine Hat Municipality, Town of Drumheller and Carbon Municipality to work together in order to have the services of the Public Health Nurse.

Representatives of road machine companies also attended the meeting. The council, however, decided that they would not purchase any road machines this year.

Moors Nott and Drumheller, representing the Mine Power Co., also attended the meeting, and were granted permission by the council, to extend their electric pole line across sections eight and nine, township 29, range 20.

Mr. P. Dalziel chartered accountant, Calgary, was appointed auditor for the current year.

By-law No. 27, being that pertaining to prohibition of animal running at large for the whole year was passed at the first reading.

The assessment made in connection with the Business Tax by-law was examined by the council. A resolution was passed authorizing a discount of ten per cent. if the tax is paid by July 1st.

It was decided by the council to open the same grasshopper bait mixing stations as last year.

A quiet but pretty wedding was solemnized at the Danish Lutheran Church on May 12, at six o'clock, when Eiv Clasen was united in marriage to Mr. Anton Sorenson. The ceremony was performed by Rev. Hansen, after which a reception was held at the parsonage.

Mr. and Mrs. Anton Sorenson entertained a number of friends at dinner last Monday evening.

A surprise party was given in honor of Mr. and Mrs. F. D. Knowlton on the occasion of their first wedding anniversary, May 17th. The evening was spent in games and dancing. Those present were: Misses Dorothy Dickson, Toni Gredline, Alberta Pringle and Messrs C. Noble, Jimmy Stedman and H. A. M. Graham.

Mr. and Mrs. Kuhn, of Calgary, Alta., paid a visit to Mr. and Mrs. H. P. Franklin, during the week, en route to the Cat Creek oil fields, Yellowstone Park and California.

The concert given by the Standard Troupe Club, May 12th, at the North Hall, was fairly well attended, considering the weather. The audience was entertained by musical selections given by Mrs. Elmer Wirt, Mrs. Dickson, Mr. Tom Monrochou, and the Danish orchestra, solos by Mrs. A. P. Wadler, Mr. J. Dickson, and Mr. Dan McGowan. Two dialogues given by the Hunsar school children, a reading by Mrs. P. D. Knowlton, an exclusive set of slides of King George's fifth hunting trip in India.

Visitors to Calgary last week were Mr. and Mrs. Elmer Wirt, Mr. and Mrs. G. E. Weir, Mrs. Mandzie, and Mr. Nole Jensen.

A large number of trees have been received here during the past ten days and on Tuesday afternoon everyone turned out to plant them in the park, church yard, and cemetery. A large number of farmers also have been improving the appearance of their farms by planting trees.

The school well, which for some time has been out of order, is now being fixed by Mr. Maurus Rasmussen.

Mr. Hans Buckenit went to Calgary last week and purchased a new motor cycle.

Crop conditions in this district are very favorable, although there is not much moisture in the soil. The local growers who we have had have been sufficient to keep the crops growing well, and farmers are optimistic as to the outlook. Quite a number of farmers intend seeding a few acres of corn this season, and are now preparing the land for same. Corn growing in this district is an experiment only, and we hope it will prove successful.

Coal shipments have been resumed by the Good Hope mine. A couple of cars have been loaded during the past week.

Mr. Otto Jensen, who for the past year has been head clerk in the O. P. Larsen store, has severed his connections with the business and intends to go to the States shortly.

A Girl's Face Is Her Fortune

Palm and olive oils—
—mellow them—give
nature's green color
to Palmolive Soap.

Because it is the greatest of all womanly charms, a skin which is fresh, smooth, and alluring with the radiance of health, predicts a happy future.

Don't be content to have a lifeless, callow and blemished complexion—begin at once to remedy these defects.

Every girl can have a beautiful attractive skin if she will only learn to give it proper care.

Thorough cleansing with a fine mild soap once a day, is the secret. Cold cream is beneficial when applied to a clear skin and rouge and powder are harmless beautifiers—but start fresh every day on a clean foundation.

Keep your skin active and it will be clear, fresh, youthful and attractive.

Soap to be thorough need not be harsh. The mildest toilet soap is the most thorough of cleansers, as you will know after you try Palmolive.

Its mildness and thoroughness are due to the same source—the exquisite blending of Palm and Olive oils, the natural cleansers discovered thousands of years ago in ancient Egypt and made use of by Cleopatra.

Palmolive freshens, livenes and stimulates the skin, leaving it delightfully fresh and rosy.

You can buy Palmolive Soap at all first-class dealers.

OCCUPATIONAL WORK FOR PATIENTS

Unusual success has attended the introduction of occupational work for the patients at the actual hospital at Ponoka, which has been under way since the first of this year. This work is in charge of Miss Dinwiddie, of Calgary, for three years in charge of similar work for the Soldiers Civil Re-establishment Board. Miss Dinwiddie now has a large class each day among the patients at Ponoka, in all varieties of basketry and wicker work, and the work turned out by the patients is a marvel of perfection, and a striking example of what can be done in this way by patients confined in such an institution.

The object of the work primarily, of course, is to benefit the patients mentally by giving them something upon which to concentrate. The work has proved very beneficial to the patients. The products are sold at a reasonable price, and thus a fund is created to purchase comforts for the patients themselves. The work is not on a commercial basis, since the patients are transferred often to other work when once they become proficient in the wicker work. The products include baskets of all kinds and patterns, wicker caddies, tea trays and many other articles of similar class.

A LOGICAL SUSPICION

When a travelling manager was passing through Scotland the baloon dier. The manager of the show was in a hurry and didn't bother to buy the baloon but flung it out on the road. Two Highlanders found the baloon and puzzled over it hard.

"She'll be a McIntosh," said one, "for they have not got red hair."

"An' she's no a MacPherson neither nor a Campbell whatever," they were thinking," said the other, "for they are a kind o' lang in the link."

"I wonder who she'll be at all at all," questioned the first again, "but I'll tell ye. We'll take a run up to the big house and see if they've missed one o' the English vessels."

IT PAYS TO ADVERTISE

(Metallic Roofing Co. Circular) "The ladies of the (Blank) Church have discarded clothes of all kinds. You may call at the Church and inspect them....(from advertisement) And the movies and theatres were empty that night!"

Baintree Notes

The school children celebrated the morning of Arbor Day by cleaning up the school grounds. In the afternoon they went passing over the dam, berry, and returned home very tired, awfully sleepy, and extraordinarily hungry.

Mr. and Mrs. J. W. Bennie, Messrs. J. J. Blake, P. A. McEwan, and Howard Hopkins were the guests of Miss Mac Loughlin on Sunday.

Mrs. Wm. McMillan returned home from the Holy Cross Hospital last Saturday, very much improved in health.

Although we cannot doubt the story of Adam and the apple. We have still a smoldering belief that the chief cause of Adam's eviction from the garden of Eden, was his refusal to talk with the cows after putting in a day walking behind the barrows.

Mrs. J. W. Bennie left last Saturday en route to Scotland to see her dying mother. We wish her safe voyage, and sincerely trust she will have the pleasure of seeing her mother before the end.

Remember the U.F.W.A. meeting at Mrs. Fenton Smith's on May 21st, and for the love of Mike don't forget the U.F.W.A. meeting on Saturday, June 2nd.

Mr. Boyce, the district school inspector, spent last Monday in Baintree, and was much pleased at the general condition of the school district.

Mr. Billie But was a visitor to Calgary in the early part of last week.

The announcement made in the daily press that the C.P.R. were making a change in the land contracts brought relief to many farmers who have been vainly looking for some ray of hope in the present financial situation. Everybody is ready to knock the big corporation on the slightest provocation, but we must admit the C.P.R. are always ready to deliver the goods at the proper moment.

Some time ago one of the local correspondents asked the question: "Where does the money go that you pay your motor licence with?" The question no doubt is hard to unravel, but what puzzles us is "Where in hell do you get the money to pay motor licenses?"

Mr. Frank W. Logan moved to Calgary on Friday.

Miss de Mille spent last week end with Mr. and Mrs. McEwan. Bill has been fired from the Baintree team for insubordination and lack of training. He has organized a club of outlaws known as the "All Station Team," with "Lightning Conductor Jake" as pitcher, and is out with a challenge to play the "Beavers" for love, blood or money.

Micky is on the war path with his big stick, and swears he will beat them all to a frazzle.

A MORNING PRAYER—Create in me a clean heart, O God; and renew a right spirit within me.—Psalm 51:10.

GOD'S WORD STANDS—The grass withereth, the flower fadeth; but the word of our God shall stand for ever.—Isaiah 40:8.

PERFECT SAFETY—Fear thou not; for I am with thee; be not dismayed; for I am thy God; I will strengthen thee; yea, I will help thee, yea, I will uphold thee with the right hand of my righteousness.—Isaiah 41:10.

FERVENT IN LOVE—Above all things being fervent in your love: as love is the multitude of sins.—1 Peter 4:8.

THE PRINCE OF PEACE—For unto us a child was born; and the government shall be upon his shoulder; and his name shall be called, The Prince of Peace.—Isaiah 9:6.

JOY OF THE RANSOMED—The ransom of the Lord shall return, and come to Zion with songs and everlasting joy and gladness, and sorrow and sighing shall fly away.—Isaiah 35:10.

MEN LOVE DARKNESS—This is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.—John 3:19.

Turner News

Wheat seeding has finished, and oats and barley are going in freely. A nice rain and two falls of snow are making the farmers feel jubilant. Some of them are predicting a forty bushel crop, and forty cents per bushel.

Arthur Haley and Garnet Lawson made a trip to Calgary Sunday. Monday will sure be blue to the boys.

Mrs. Wilma Rupert, from North Dakota, is starting a music class. Our young people are all going to be musicians.

Mr. Frank Sugden had the misfortune to lose a granary of oats; only leaving Frank one hundred bushels. The thief taking the lion's share. Frank says he hopes they wont germinate.

We understand that Mrs. Vidal, (Mavis Yorke) with her troupe, intend giving her play on May 24th in Carbon. She is deserving of a full house.

Ardenode Notes

A very interesting programme was rendered at the U.F.A. meeting of Local No. 293, which was held at the home of Mrs. Gothard on May 9th. It was opened with the song "Equal Rights to All." Mrs. Horrocks read two very interesting papers, "Guiding the Boy in his Teens," and "Freedom vs. Sacrifice." Among various other questions discussed was the Sugar Question. The various sugar combine of both of Canada and the United States were most severely criticized, and the Canadian government were congratulated on the stand taken in the house in regard to the sugar combine of Montreal, also the passing of the second reading of the Combine's Act with such a large majority.

Rosebud News

Mr. Kirkwood delivered a splendid sermon Sunday evening in the Rockyford Union Church, and will be with us for several months.

U.F.W.A. held a meeting Saturday evening, May 12th, and instructed their secretary, Mrs. Paterson, to get in touch with the Department of Extension, and have them send demonstrators in cooking and sewing.

Our local merchant "Jack" Sangster is reported to be doing well after his recent operation in the Holy Cross Hospital, Calgary.

The U.F.A. scales and building in Redland are to be moved to Rosebud, the building to be added to the present building in Rosebud, and the scales to be sold.

It seemed that everyone had stock strayed, and all agreed they were out Geo. Gow's direction, when Mrs. Gow let it be known that she had purchased an ice-cream freezer of generous dimension.

All were pleased to learn that Mrs. W. E. Hymas had returned home after her recent illness in the Calgary Hospital, and we hope she may be much improved.

Rosebud boys are planing on having some good ball games this summer.

If one can judge by what is said over the phone, every lady between Calgary and Drumheller has an incubator running and turkey eggs to set.

His many friends feel grieved to learn of Jim Fife's recent illness.

Masters Jack and Bill Gow drove a herd of horses to summer pasture on the Red Deer this week end.

The event of the season will be June 13th when the U.F.A. give a dance in the barn. Good music, good eats, and a good time for everybody. Are you coming?

The manager of the egg circle reports having shipped over 2500 dozen

Bob Herberling is practicing diver.

sified farming but specializing in spud planting, milking, kicking cows and tree planting.

H. C. Barr was a Rosebud visitor on Monday.

A dance in Homer Jones' hall next Friday. Everybody is going.

Mr. and Mrs. Chas. Comstock and son spent Sunday afternoon with Mr. and Mrs. Geo. Gow.

The latest report is that the cook at the Anderson Bros. Ranch has gone to swearing.

Miss Beatrice Ganyon spent the week-end with her sister Mrs. Angus McLaughlin.

Mr. and Mrs. Archer called at the Forker home Sunday evening.

Merl Jones and Edward Forker were driving horses around to the different pastures during the week-end.

HERVEY NEWS

Mr. H. S. B. Chamberlain is sowing a quantity of White Clover this season. He figures this will take the place of ensilage.

Our genial ditchrider, Mr. Jack McKay, is making his rounds over the laterals, seeing that all is in readiness for a big head of water, which we hope will not be necessary to use.

Mr. Julius Schober, who, three years ago, began the hog business with one sow, now has in the neighborhood of one hundred head about his place, and is now marketing hogs by auto truck nearly every month in the year, bringing in a steady income. He states

Mr. and Mrs. Chas. Voss, of Calgary, were in this locality this week, looking after business interests.

SHORT CUT TO ATTENTION AND AN AVENUE TO PROSPERITY.

Advertising begins as a short-cut across lots. A short-cut to attention and favor. It serves the business which has neither money enough nor time enough to wait for the slow, old-fashioned method of sitting down and waiting to be "discovered."

Advertising begins as a short-cut; it grows into an avenue. An avenue to prosperity.

It provides a broad way to the continued favor of thousands.

For the great merchants and manufacturers it has already grown to avenue-size, spreading desire for their goods and building prestige.

For the small dealer it is available as a cut across lots.

Reaching the public with no time lost. The first path across lots is as important as the avenue.

For with it as a starter there would be no avenue in the end.

BASE BALL

Rockyford Baseball Team steps out for the first time this season tomorrow, when they play a double header, the first game against Calgary Hustlers at 2 p.m., and the second against Carleton at 8.45 p.m., both games on the home grounds.

The team is stronger and more peppy than ever this season, and they have every confidence that they will seal clean up the amateur baseball championship of the province.

The only disadvantage of the team being as good as it is, is that some of the neighboring towns are afraid to take a chance on us and Rockyford was not invited to join the league recently formed of several points in the Western Town Valley.

"There is no pleasure without pain," but it looks as if the other towns in the district had the pain.

BIG HEALTH CONVENTION

The annual convention of the Canadian Public Health association, of which Dr. W. C. Laidlaw, Deputy Minister of Health for Alberta, is president, will be held at the University, Edmonton on June 12, 13, and 14 next. Delegates from various parts of the province and of Canada will be in attendance. The association includes also the Canadian Tuberculosis association, the Canadian association for combating venereal diseases, the association of mental hygienists, and child welfare. The meetings of the convention will be open to the general public.

Judge Stickle, of New Jersey, recalls when a trying experience he had in the chair of an Atlantic City barber. The negro who was shaving him stood with the razor raised above the judge's hunched throat and said: "You sentenced my brother Bill to the death-chair." The judge heroically fought down an impulse to raise the razor to his neck, remarked, "It was no good anyway." Cut this story out and read it over well before writing a letter to the editor—Canis.

Webb News

Seeding is progressing favorably in spite of the high winds.

We are sorry to hear that little Mary Joie McCracken has been very sick for the last few days.

Mr. Clyde Anderson has rented the farm recently vacated by Mr. J. Hay, and has moved there for the summer. He has engaged his sister, Grace, as cook. Wake up Hank.

Mr. and Mrs. Frank Moteritz, and family have moved to a farm near Three Hills. Out of the trying path into the fire!

Robert Malloch, Jr., has come to work for Mr. Herb Young, of Roseville district.

R. B. Mortimer has already finished seeding. Good boy, Bob.

Co-Operated Marketing

The Provincial Government have already taken preparatory steps for the investigation of a system of cooperative marketing of a farm produce.

For this purpose a sub-committee of the cabinet, comprising Attorney General Brookes, Minister of Agriculture Headley, and Minister of Municipal Affairs R. G. Reid, has been named to collect data. Mr. Headley is already engaged in this work, the next investigation of conditions to be delayed until after Mr. Brookes returns from the East. For the purpose of investigation, the sum of \$10,000 was included in the 1922 estimates.

The January convention of the U.P.A. urged that the Provincial Government survey the possibilities of the field of cooperative marketing, and during debates in the Legislature, many U.P.A. and Liberal members agreed that everything possible should be done to further the work along this line. It has not yet been decided whether or not Aaron Sapiro, founder of his initiative of cooperative marketing in California will be brought to the province for consultation. This was hinted at by the government during the recent session, and president H. W. Wood, of the U.P.A., has stated that he believed it advisable to have Sapiro outline his plan to Albertans.

VISITED HEBRIDEANS.

Hon. George Headley, Minister of Agriculture paid an official visit to the colony of workers from the Hebrides who arrived at Red Deer last week. Mr. Headley extended the newcomers a welcome on behalf of the Provincial Government, and placed at their disposal the advice of the experts of his department in assisting them to adapt themselves to farming in the new land. There are between 10 and 50 families in this colony. Mr. Headley, in conversation with the leaders emphasized his opinion that an endeavor should be made to obtain a block of homestead land sufficient to establish the entire colony, so that none of the money from their slender resources should have to be paid out as purchase price of land, but rather using it in the purchase of stock and equipment, which was now recently priced in the province. Mr. Headley also drew upon another feature of the situation with respect to the colony, and that was the development of the manufacture of hosiery, or Harris tweed, for which the Hebride islands are so famous. The colonists possessed in this one thing alone, a means of providing themselves with cash which would aid them in getting established. Mr. Headley drew on the possibilities of such an industry, and was told by Father MacMillan, one of the leaders, that practically every woman in the colony, young and old, could weave the cloth. Two or three looms and several spinning wheels have been brought out by the colonists.

Don't forget the big Ball Games with Calgary Hustlers on the 24, and the dance to follow.

Carbon News

Mr. James Ramsay is excavating a cellar for a dwelling house opposite Mr. Geo. Malton's house.

The Peeries Mine is closed down for a short time on account of making a few changes and improvements.

Rev. Mr. Greer will occupy the pulpit at the Presbyterian Church on Sunday next, and it is probable Rev. Greer will be stationed in this field for the next six months.

Work on the Masonic Hall has been delayed a few days on account of Mr. D. L. McKinnon's absence in Hamilton, but will be resumed this week.

It is with regret we learn that Mr. J. L. Thompson, manager of the local branch of the Bank of Toronto, is forced to take an extended holiday on account of ill health. Mr. Thompson has been working for eastern Canada, as he has been advised by his doctor to try a change of climate. We trust he will have a pleasant trip and will return shortly to Carbon improved in health.

Mr. Westall, of Calgary, will relieve Mr. Thompson during his absence.

Mr. Wright, of Edmonton, who has been relieving Mr. Jos. Faller, in the Bank of Toronto, has this week been relieved by Mr. Loney, of Oyen, Alta.

It is expected that Jos. Faller will resume work in about a week's time.

A meeting of the Gambia Ladies Aid was held at the home of Mrs. A. D. L. McKinnon 2nd. Thirty members were present and a very successful meeting was reported. Arrangements were completed for a shipment of clothes and bedding to the Wood's Children's Home, at Onda, Alta.

Mrs. Gerald McGregor was taken suddenly ill with appendicitis last week, and taken to Calgary, where she was successfully operated on Saturday last at the Holy Cross Hospital. Her many friends in Carbon and District hope for her speedy recovery.

Messrs R. A. Boyle, J. J. Greenan and T. P. Francis were business visitors to Calgary last week.

Mr. C. O. Saunders, of the Peeries Mine spent the week end in Calgary.

The principal attraction on the weekly half holiday Wednesday, May 24, was a baseball game, Married vs. Single men. The result was a win for the married men, and in this respect it was very noticeable that the benedict put it over on their younger and less experienced players in the manner in which they could steal home. (Under cover of darkness, as it were). For the benedict husbands "Wes" McGregor seemed to have the arm of Christy Matheson, and had the Benedict at his entire mercy, while Harry Harding, behind the bat, appeared to be a second "Schang" or "Myers" (not the Cut Rate Man. For the boys, Messrs Hallow, Kittleson, and Elmer tried their luck at pitching, but the married men appeared to have a keen eye and great practice in knowing when anything was thrown at them. The boys catching end was looked after by Cope and Joe Robinson. At the next game it is hoped more ladies will be present to cheer the boys on to victory, for with the benedicts, we presume, they do better anyway, when there are no ladies present.

Mr. James Snell has been looking forward to a nice cold windless day as he wants to sow early or ninety acres of wheat. Get up before breakfast and make it a hundred.

Mr. Mortimer spent a very enjoyable afternoon at Mr. Snell's recently, and called at Mr. C. Anderson's on business.

FOOTBALL ON VICTORIA DAY

A big attraction will be provided in Carbon on Victoria Day, May 24, by a game between the Calgary Capital football team, and the local aggregation. The kickoff is at 3 p.m.

In the evening a big dance is announced in the Farmers' Exchange Hall. Everyone should turn out and give the football boys a good start for the 1923 season.
